

U.S. Commercial Service—Canada
Houston U.S. Export Assistance Center

In cooperation with

City of Houston
Greater Houston Partnership

Invite you to participate in the official
Houston Delegation to the

Global Petroleum Show

Calgary, Canada
June 13-15, 2006

Hotel rooms reserved for official delegation participants

Limited Space Available

Join Mayor Bill White's first international business delegation to the Global Petroleum Show, Canada's largest oil & gas industry trade event. The show attracts over 1600 exhibitors and 50,000 visitors from 85 countries.

💧 Canadian producers are drilling at record levels – 24,000 wells in 2004 and an anticipated 25,000 in 2005. Industry estimates are that the production from oilsands alone will at least triple to over 3 million bpd by 2015. Planned energy investments in Alberta exceed \$100 billion in the next 15-20 years.

💧 Outstanding opportunities exist for providers of **exploration, drilling, mining, refining, pipeline, environmental, and safety & security equipment and services**, among others.

Participation Fee: \$3750 per company

Participation fee includes:

- Exhibit Space in the U.S. Pavilion
- A Market Briefing by U.S. Embassy-Canada Staff
- 4-6 Pre-arranged appointments
- U.S. Consulate Reception
- 5 Market reports available
